Warranty

Your jewel is covered by an international warranty of six months from the purchase date specified on your receipt. This warranty applies to any problem caused by a lack of conformity or a manufacturing defect. If your jewel is affected by such a defect, it will be exchanged (subject to stock availability). This warranty covers demonstrable production errors which must be established in advance by our technical department.

This warranty does not cover defects due to theft or loss, intentional damage or damage caused by misuse, normal wear and tear of the materials used, a lack of care, mistreatment or accidents.

Care instructions

Our jewels are set in set in 0.3-micron rhodium-plated recycled silver or 3-micron 18K gold-plated recycled silver and are combined with coloured cords made of recycled polyester.

-
- Please avoid contact with perfumes, cosmetics, liquids and chemical products.
 - Remove your jewel before going to bed to keep it in good condition and reduce friction.
 - Keep your jewel in its box when you aren't wearing it to protect it against scratches, humidity or prolonged exposure to light.
 - Restore its sparkle using a clean, dry and soft cloth.
